

Northern Sydney Astronomical Society Inc.

Membership Form

The Northern Sydney Astronomical Society has a general meeting on the third Tuesday of every month at 7:30pm, in the Regis Hall on the Regis Campus, St Ignatius' College, Riverview Street, Lane Cove, Sydney, where we have a guest speaker presenting on an astronomical or physics subject. There is also a theory group meeting on the second Tuesday of the month, and a new astronomers group meeting on the fourth Tuesday of the month.

Observing nights are generally held on Friday and Saturday nights closest to new moon, as long as it is not cloudy. These are at North Turramurra Golf Course, Bobbin Head Road, North Turramurra, Sydney. Refer to the Society website for the observing schedule and weather supdates.

Membership of the Society offers several advantages including:

- Club magazine (Reflections)
- Access to the Society's library
- Automatic public liability insurance during club viewing events
- Approved members have the right to legally own and use a green laser pointer for educational purposes within the guidelines
- Access to advice from other experienced members
- Participation in the Society's social activities
- Voting rights
